Dear Camper:

Welcome to the 29th annual Boca Hoops Summer Basketball Camp. This year we will have seven separate sessions for you to attend. Each session will offer a different phase of the game of basketball. Each week that you spend with us will be an instructional and learning session designed to prepare you with improved skills and a better knowledge of the sport. As camp director, I am confident that the time you spend with us learning basketball will be one of the most rewarding and unique experiences of your young life. In addition to exposure to all phases of the sport, you will meet and play with some of your peers who also share an interest in the game. Most of all we want you to have FUN playing the game of basketball.
