The Robert Mufson Sportsmanship Award Winners

The Robert Mufson Sportsmanship Award is given in the name of Robert Mufson, a man that coached and sponsored Boca Hoops from its inception in 1989. Unfortunately, Robert Mufson passed away in April of 2002 after a 2-year battle with cancer. He was a man who truly loved the game of basketball and the players he coached. He believed the game was more than wins and losses. He believed in respect of one another, teamwork and sportsmanship.

The Robert Mufson Sportsmanship Award is given to one player from each team. This player has shown the courage to be themselves. They have shown their love of the game of basketball, and have balanced the desire to win, with the enjoyment of playing the game. This player does not have to be a special athlete but rather a special person who understands the meaning of sportsmanship. He or she is a player who truly cares about others, such as teammates or opponents, coaches, referees and parents. This award is a landmark in Boca Hoops tradition by recognizing a quality in our children other than pure athleticism. Boca Hoops is proud to acknowledge these special Mufson Award Winners.
